Subject: Letter of gratitude

Greetings!

I, Rizza B. Tariman, 20 years old from Barangay Pooc, City of Santa Rosa Laguna, currently a 3rd year College at Pamantasan ng Cabuyao taking up Bachelor of Secondary Education Major in English, am writing this letter to express my deepest gratitude for buying me a laptop that is really needed in my studies. I feel extremely honored for your help and support. It truly means to me. As a future educator, I am required to create a large number of documents and reports in order to become acquainted with the process. My family cannot afford to buy me a laptop since we are not that financially stable. My father is just a construction worker and my mother is a housewife. I have five siblings, one older sister and four younger brothers. This is why I had to seek your assistance for me to be able to obtain a laptop. No words could possibly express how happy I was when I was informed that my request for laptop had been approved by Rotary Club Multinational Manila. Your generosity encourages me not only to continue to be hopeful, but also to continue on my academic path as a future educator. I thank you from the bottom of my heart.

Thank you for all the support! Your sponsorship makes my college career possible! I am so grateful!

Sincerely,

Rizza B. Tariman
